

## **JAMES MUGU KARIUKI**

[jamesmugu@kabarak.ac.ke](mailto:jamesmugu@kabarak.ac.ke) | P.O. BOX Private Bag, 20157, Kabarak | +254791415424

### **Career Objective**

A motivated and detail-oriented Bachelor of Economics and Mathematics student at Kabarak University, seeking an industrial attachment opportunity to apply analytical and quantitative skills in a professional environment. I aim to contribute to data-driven decision-making and gain practical experience in economic analysis, research, and statistical modeling.

### **Education**

- Kabarak University, Bachelor of Science in Economics and Mathematics
- Expected Graduation: December, 2026
- Key Courses: Econometrics, Microeconomics, Macroeconomics, Mathematical Statistics, Statistical Computing, Research Methods, and Data Analysis using R, SPSS, STATA and Excel.

### **Skills and Competencies**

- Strong analytical and quantitative reasoning
- Proficient in SPSS, STATA, Excel, and R for data analysis
- Statistical modeling and econometric analysis
- Economic data collection and interpretation
- Report writing and presentation skills
- Teamwork, adaptability, and problem-solving

### **Academic Projects**

- Title: Research on the effects of taxes on economic growth in Kenya from 2015 to 2024.
- Description: Conducted statistical analysis using SPSS to determine the relationship between taxes and GDP growth in Kenya. Interpreted results and provided recommendations based on economic theory.

### **Professional Interests**

Economic Policy Analysis, Financial Economics, Research and Data Analysis, Project Evaluation, and Development Planning.

### **Achievements and Leadership**

- Member, Kabarak university business school association (KUBSA)
- Member, Kabarak university statistics club (KUSC)
- Participated in university data analysis and research projects
